## KENTER CANYON ANNUAL GIVING CAMPAIGN

# Join the KENTER GIVING TREE TODAY

### **What is the Annual Giving Campaign?**

The Campaign is Kenter's largest initiative to fund its enhanced education program. 100% of the funds raised from the Annual Giving Campaign go directly to the school and to programming for your children. Your children's education is enriched beyond the LAUSD provided program with: Science, Computer, Art, Music, Physical Education, our Library, Aides in each classroom and more.

Each year the money raised is spent on that year's activities. So, we need your donations as the year begins.

At Kenter, the requested per child contribution is at least \$925 annually.

### **What does Kenter do with the money raised?**

The donated money from Kenter families pays for the enhanced education program. We provide each student at Kenter with classes in science, computer, art, music (for grades 1 through 5) and physical education. The money raised pays for the school Library and its program. Your donated dollars pay for additional teacher aides in classrooms (K-5), as well as stipends for classroom supplies, special assemblies, field trips, field and playground maintenance and so much more!

### **How do I give? Can I donate throughout the year? Can I pay in installments?**

You can give via the Kenter website through Pay Pal if you would like to pay with a credit card. If you would like to pay with a check and/or pay in installments, you can download the donation form from the Kenter website. Donation forms are also available in the office or through your room parent.

The Annual Giving Campaign kicks off at the beginning of each school year. Make your pledge or mail in the full donation. You can donate early all at once, give at any time during the year or pay in installments.

### **Is my donation tax deductible?**

Yes! 100% of your donation is tax deductible.

### **Does Kenter accept matching grants, gifts from non-Kenter parents and stock?**

Yes to all of the above. Thanks to stock donations, company matching grants and the generosity of community members, neighbors and grandparents, Kenter has raised thousands of dollars in additional funds for our children.

### **I can not give \$925 per child. Am I expected to give? Can I give less?**

Yes, absolutely. Give what you can. We are looking for 100% participation from all Kenter families. Please give what you can, even if it is \$25 per child. And, if you can give more, give for a family that is unable to give.
